

# Fault report | casadi\_free\_variables

*Author: Nicolas Hammje*

## Title: casadi\_free\_variables

### Problem Encountered:

.../casadi/core/mx\_function.cpp:409: f::init: Initialization failed since variables [delta\_dot, vx\_dot] are

### Solution Implemented:

free. These symbols occur in the output expressions but you forgot to declare these as inputs. Set

### Additional Notes:

option 'allow\_free' to allow free variables.
